# Idaho Environmental Summit 2008

*cultivating a sense of place*

*Building on the success and diverse attendance of the previous years' conferences, nearly 400 interested Idahoans and other Northwest citizens are expected to gather to share information and build professional networks.*

## Keynote Presentations

### **Jim Evanoff**

*Sustainability Manager, Yellowstone National Park*

### **Don Wharton**

*Senior Attorney, Native American Rights Fund*

### **David Moen**

*Oregon Condor Restoration Specialist, Oregon Zoo and Wildlife Recovery Expert*

### **A special showing of "Red Gold"**

*followed by a presentation by one of the stars in the documentary*
